**NOTICE OF (I) DEBTORS' INTENT TO ASSUME AND ASSIGN CERTAIN
EXECUTORY CONTRACTS AND UNEXPIRED LEASES AND (II) CURE AMOUNTS**

PLEASE TAKE NOTICE that, pursuant to an Order dated January 13, 2010 (the "Bid Procedures Order"), the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") has authorized the above-captioned debtors and debtors in possession (collectively, the "Debtors") to conduct an auction to sell certain assets (the "Assets") to the highest and best qualified bidder (the "Successful Bidder"). A hearing (the "Sale Hearing") will be held on **February 17, 2010 at 11:00 a.m. (prevailing Eastern Time)** in the Bankruptcy Court to consider (i) the sale of the Assets to the Successful Bidder free and clear of liens, claims, and encumbrances (except for any assumed liabilities and permitted liens) and (ii) the assumption and assignment of executory contracts and unexpired leases in connection with the sale. At the Sale Hearing, the Debtors will ask that the Bankruptcy Court enter an order (the "Sale Order") approving the sale.

PLEASE TAKE FURTHER NOTICE that, pursuant to the proposed Sale Order, the Debtors may assume and assign to the Successful Bidder those executory contracts and unexpired leases listed on **Schedule A** attached hereto (collectively, the "Assigned Contracts" and each, an "Assigned Contract"), pursuant to Section 365 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the "Bankruptcy Code").

PLEASE TAKE FURTHER NOTICE that the Debtors have indicated on **Schedule A** attached hereto (the "Cure Schedule") the cure amounts that the Debtors believe must be paid to cure all pre-petition defaults under the Assigned Contracts as of December 14, 2009 (in each instance, the "Cure Amount").

PLEASE TAKE FURTHER NOTICE that any party seeking to (i) object to the validity of the Cure Amount as determined by the Debtors or otherwise assert that any other

¹ The Debtors in these cases, along with the last four digits of the federal tax identification number for each of the Debtors, are Ames Holding Corp. (6130), Axia Incorporated (5251), TapeTech Tool Co., Inc. (7106), and Ames Taping Tool Systems, Inc. (6440). The Debtors' corporate offices are located at 3350 Breckinridge Boulevard, Suite 100, Duluth, Georgia 30096.

amounts, defaults, conditions or pecuniary losses must be cured or satisfied under any of the Assigned Contracts in order for such contract or lease to be assumed and assigned or (ii) object to the assumption and assignment of any Assigned Contracts on any other basis (including, but not limited to, objections to adequate assurance of future performance), must file a written objection (an "Assumption and Assignment Objection") with the Bankruptcy Court setting forth the nature of the objection and the cure amount the objector asserts to be due, how such cure amount was derived, and the specific types and dates of the alleged defaults, pecuniary losses and conditions to assignment, and the applicable and appropriate documentation in support of such objection and alleged cure amount, so that such objection is filed no later than **4:00 p.m. (prevailing Eastern Time) on February 12, 2010** (the "Assumption and Assignment Objection Deadline"), and such objection shall also be served so the same is actually received on or before the Assumption and Assignment Objection Deadline by (i) counsel to the Debtors, Parker, Hudson, Rainer & Dobbs LLP, 1500 Marquis Two Tower, 285 Peachtree Center Avenue, N.E., Atlanta, Georgia 30303 (Attn: C. Edward Dobbs), and Richards, Layton & Finger, P.A., One Rodney Square, 920 North King Street, Wilmington, Delaware 19801 (Attn: Mark D. Collins); (ii) counsel to the official committee of unsecured creditors (the "Committee"), Benesch, Friedlander, Coplan & Aronoff, LLP, 222 Delaware Avenue, Suite 801, Wilmington, Delaware 19801 (Attn: Bradford J. Sandler); (iii) counsel to the Purchaser, Goldberg Kohn Bell Black Rosenbloom & Moritz, Ltd., 55 East Monroe Street, Suite 3300, Chicago, Illinois 60603-5792 (Attn: Randall L. Klein, Esq. and Danielle Wildern Juhle, Esq.) and Morris, Nichols, Arsht & Tunnell LLP, 1201 N. Market Street, P.O. Box 1347, Wilmington, Delaware 19899-1347 (Attn: Robert Dehney, Esq.); (iv) counsel to the administrative agent for the Debtors' prepetition lenders, Latham & Watkins LLP, 885 Third Avenue, New York, New York 10022 (Attn: Melissa S. Alwang, Esq.); (v) counsel to Van Kampen, Kaye Scholer LLP, 3 First National Plaza, Suite 4100, 70 West Madison Street, Chicago, Illinois 60602 (Attn: Matthew J. Micheli, Esq. and D. Tyler Nurnberg, Esq.); and (vi) the U.S. Trustee for the District of Delaware, J. Caleb Boggs Federal Building, 844 King Street, Suite 2208 - Lockbox #35, Wilmington, Delaware 19801 (Attn: David M. Klauder, Esq.) (collectively, the "Notice Parties"); provided, however, that in the event the Auction results in a Successful Bidder other than Purchaser (as defined in the Bid Procedures Order), the Debtors shall file a notice identifying such Successful Bidder with the Court and serve such notice upon each party identified in the Cure Schedule, and the deadline for objecting to the assignment of the Assigned Contracts to such Successful Bidder on the basis of adequate assurance of future performance shall be the commencement of the Sale Hearing.

PLEASE TAKE FURTHER NOTICE that unless an Assumption and Assignment Objection is filed and served before the Assumption and Assignment Objection Deadline, **all parties shall (i) be forever barred from objecting to the Cure Amount and from asserting any additional cure or other amounts with respect to the Assigned Contracts, and the Debtors and the Successful Bidder shall be entitled to rely solely upon the Cure Amount; (ii) be deemed to have consented to the assumption and assignment of the Assigned Contracts, and (iii) be forever barred and estopped from asserting or claiming against the Debtors or the Successful Bidder that any additional amounts are due or other defaults exist, that conditions to assignment must be satisfied under such Assigned Contracts or that there is any objection or defense to the assumption and assignment of such Assigned Contracts.**

PLEASE TAKE FURTHER NOTICE that hearings with respect to the Assumption and Assignment Objections may be held (i) at the Sale Hearing, or (ii) at such other date as the

Bankruptcy Court may designate upon motion by the Successful Bidder and the Debtors. Where a non-debtor counterparty to an Assigned Contract files an objection asserting a cure amount higher than the proposed Cure Amount (the "Disputed Cure Amount"), then (i) to the extent that the parties are able to consensually resolve the Disputed Cure Amount prior to the Sale Hearing, the Debtors shall promptly provide the Committee and the Successful Bidder notice and opportunity to object to such proposed resolution or (ii) to the extent the parties are unable to consensually resolve the dispute prior to the Sale Hearing, then the amount to be paid under Section 365 of the Bankruptcy Code with respect to such Disputed Cure Amount will be determined at the Sale Hearing or at such other date and time as may be fixed by this Court.

PLEASE TAKE FURTHER NOTICE that if you agree with the Cure Amount indicated on **Schedule A** and otherwise do not object to the Debtors' assumption and assignment of your lease or contract, you need not take any further action.

PLEASE TAKE FURTHER NOTICE that the Debtors' decision to assume and assign the Assigned Contracts is subject to Bankruptcy Court approval, any Asset Purchase Agreement approved by the Bankruptcy Court, the proposed Sale Order, and the consummation of the sale of the Assets. Accordingly, the Debtors shall be deemed to have assumed and assigned each of the Assigned Contracts as of the date of, and effective only upon, the closing of the sale of the Assets and the designation of such contracts as Assigned Contracts pursuant to the proposed Sale Order, the "APA" and the "Contract Option Period" described therein (as each term is defined in the proposed Sale Order), and absent such closing, each of the Assigned Contracts shall neither be deemed assumed nor assigned and shall in all respects be subject to further administration under the Bankruptcy Code. Inclusion of any document on the list of Assigned Contracts shall not constitute or be deemed to be a determination or admission by the Debtors or the Successful Bidder that such document is, in fact, an executory contract or unexpired lease within the meaning of the Bankruptcy Code, all rights with respect thereto being expressly reserved.
